

Draft letter from Sally Hunt to INTO University Partnerships Limited

Andrew Colin  
Chairman  
INTO University Partnerships Limited

**UCU 'Campaign Briefing'**

I am writing to you in relation to the 'campaign briefing' published by the UCU entitled "INTO the unknown? A UCU briefing on INTO", which you have complained is seriously inaccurate and defamatory of INTO and you as its Chairman.

On behalf of UCU I apologise for the statements in the 'campaign briefing' about which you have complained and I undertake that these statements will not be repeated and there will be no further publication of this document by the UCU. I also confirm that we have taken down the 'campaign briefing' from our website.

Yours faithfully
